ACT Fibernet introduces 'ACT Entertainment' broadband plan in Bengaluru

A complete home entertainment package with a host of Value Added Services with high quality Hollywood Bollywood and regional content

Bengaluru, 27 November 2017: ACT Fibernet, India's largest fiber broadband ISP (internet service provider) recently introduced a complete home entertainment package **ACT Entertainment** broadband plan in Bengaluru. With a vision to become the most admired in-home entertainment, education and interactive service provider, ACT Fibernet in partnership with leading entertainment providers like Hooq TV, YUPP TV and FastFilmz is bringing a bundle of entertainment content that will meet the complete entertainment needs of the customer.

As a part of the new plan, residents of Bengaluru can enjoy a large selection of Hollywood English, Hindi, and regional cinema, exclusive TV shows and live TV channels with at **75 Mbps speed** and **160 GB FUP limit** at a monthly rental cost of Rs. 1149 only. Furthermore, in this plan customers will not have to choose any of these services individually or pay an extra amount of Rs.229 each per month. Customers need to register only once for the plan through the company's website, app or call center and access unlimited entertainment content without incurring extra charges for any of the VAS services.

Speaking on the new plan, **Mr. Sandeep Gupta, Chief Operating Office, ACT Fibernet commented,** " Video streaming and watching live TV has exponentially gained momentum amongst millions of Indian users today. *While we are witnessing a tremendous demand for such over-the-top (OTT) content from our customers, the need of the hour was to offer them a complete package which will meet their entertainment needs at one go without having them subscribe to multiple content providers. With our new plan we are ensuring a wholesome entertainment experience to all our customers backed with high internet broadband speed service"*, he further added.

The below table captures the plan details: -

Plan Name	Monthly Rental (Rs.)	Internet Speed	Upload	Download	Post FUP Speed
ACT Entertainment	Rs. 1149	75 Mbps	160 GB	160 GB	512 Kbps
