Market leader ACT Fibernet expands its reach to Rajahmundry, Andhra Pradesh

Strengthening its presence to 7 cities in the state

Bengaluru, 15 November 2017: ACT Fibernet, India's largest non-telco and 3rd largest ISP (internet service provider) in the wired broadband category recently expanded its broadband services to Rajahmundry district of Andhra Pradesh. This launch takes the total number to 7 cities in Andhra Pradesh where ACT Fibernet has presence in; thus, allowing Rajahmundry customers to now have access to high internet broadband speed for entertainment and business needs.

As part of this move, ACT Fibernet has introduced four broadband plans -

ACT Silver Plan offers 20 Mbps internet speed and 150 GB FUP limit, **ACT Gold** offers 30 Mbps internet speed with 200 GB FUP limit, **ACT Diamond** offers 50 Mbps internet speed with 250 FUP limit and **ACT Platinum** offers 75 Mbps internet speed with 300 GB FUP limit.

In addition, customers who opt for any of the above broadband plans for a period of 6 months can avail one-month free subscription or a free Wi-Fi Router. Likewise, customers who opt for a 12 months plan, can choose two months free subscription with 50 GB additional data or opt for a free Wi-Fi Router with 50 GB additional data.

Commenting on the launch **Mr. Bala Malladi, CEO, Atria Convergence Technologies Pvt Ltd** said, *"It gives me immense pleasure to extend our service offerings to the residents of Rajahmundry, we are confident that our products will transform their lives and enable them to explore new possibilities in the virtual space. This launch further stands as a testimony to our commitment to bring exceptionally fast internet broadband speeds to Indian consumers".*

Growing at an incredible rate, ACT Fibernet is known as a disruptor in the Indian broadband industry and a pioneer in GIGA enabling an entire Indian city. The company has the best global fiber optic technology and has introduced world class futuristic speeds to Indian consumers. At Present, ACT Fibernet operates across 12 cities in India, and in Andhra Pradesh itself the company has presence in 7 cities - Vijayawada, Vizag, Guntur, Nellore, Tirupati, Eluru and now Rajahmundry.

The below table captures all plan details:

Current Plans	Plans	Price	Speed	FUP limit (Upload + Download)	Post FUP Speed
